

Assignment

Product Owner -official representative of your team, signs off on work, even numbers, Trevor and Jordan

Odd numbers (ME) system admins, setting up git repositories, my hub create git repositories
Calvin and Meta

===

MEMO to Jordan-Calvin Web Dev Team

From: Trevor-Meta

Requesting a web site for:

1 (home page) DDC Career Paths

Describe basic skills acquired in DDC and possible career paths

include mages of techies working together perhaps, high tech implementations, code

e.g. from web site included below in #3:

2

Actual job postings right now in Albuquerque

maybe on The Ladder, Career Builder, Indeed, even Craig's List

3

Current Salaries with Hottest Tech Jobs

<http://mashable.com/2014/01/06/tech-jobs-2014/#>

4

Listing of skills and match to jobs

e.g.

Front end - HTML, CSS

Back end - PHP, MySQL

overall all style and look and feel of site:

professional

high tech

simple

clean

easy to use
